Bouche Kombucha

Whether fruity-floral, mineral, smoky, or lightly citrusy – our PROXYS have many facets and are perfect non-alcoholic dining companions.

They are based on our kombucha ferment and are refined with natural extracts of spices, flowers, and roots. This gives them an aromatic acidity and a layered character that recalls the complexity of traditionally crafted wines. Perfect for anyone looking for a sophisticated non-alcoholic food pairing and a unique alternative for toasting.

Melon Szechuan | Pet Nat Fl. 0,75l 44

This Kombucha combines fresh cantaloupe melon with spicy Szechuan pepper, resulting in a rich and full-bodied taste with a fizzy mouthfeel. The Kombucha Pet Nat initially impresses with fruity-floral aromas that transition to citrusy nuances before ending on a slightly mineral note.

Hibiscus | Pet Nat Fl. 0,75l 44

This Kombucha combines the fine harmony of hibiscus infusion and jasmine tea as well as Idaho7 and Amarillo hops to create a dry, sweet and fruity character with a floral background and aromatic acidity.

Juniper | Pet Nat Fl. 0,75l 44

With juniper and subtle citrus notes of long pepper, fresh and lively with a clean, botanical aroma profile, dry with a slightly mineral finish.

Sparkling Tea

The combination of Nordic innovation and Asian tea traditions results in a sparkling drink based on organic teas.
